RE: MUR 5849 Robert Rubio

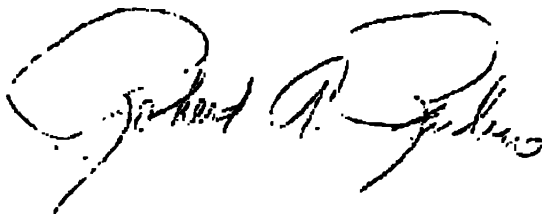

Dear Marianne Abely,

Thank you for taking the time to notify me of this matter. I received the replacement letter and information dated November 14, 2006 on Friday, November 17, 2006.

I am requesting an extension at this time due to non receipt of the original mailing.

Thank you for your consideration. I look forward to hearing from you.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert Rubio", is written over a large, faint circular stamp.
